

Edgewood Academy's Cast of Characters Parade

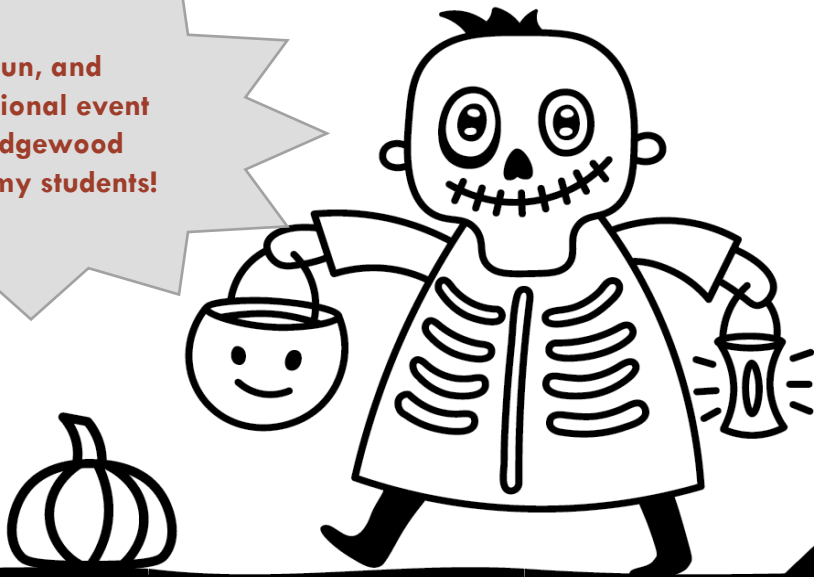

October 29, 2021

It is a long-standing tradition at Edgewood Academy to have students dress up for Halloween and participate in a parade! This year, students in grades TK through 5th grade will have an opportunity to participate, if they choose, by reading a book, doing a short book report on the book, then dressing up as one of the characters of the book.

The parade is due to take place on our campus at 9 am on October 29th. One adult member can come to watch the kids as an audience member as they participate in the parade.

Students will carry the books with them during the parade.

**A fun, and
educational event
for Edgewood
Academy students!**

Students must adhere to dress code policies (no fake weapons, portrayal of violence, clothing that is revealing in nature, etc.)
